Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Attorneys Santucci and Megerditchian inquired as to how the prior art distinguishes over the art of record. Examiners Kishore and Sheikh suggested the following proposed amendments: (a) to add "consisting of" language in the generic claim(s); (b) to indicate the use of plasticizers in a markush format; (c) to include different amounts or ranges of plasticizers. Attorney agreed to consult the client(s) regarding the proposed amendments. A draft amendment may be sent by the attorney for examiner review. No agreement was reached at this time.
